## **BUSINESS OFFER**

Respected Partners!

As your company develops successfully, do you feel it is time to take a further step with international contacts? You may not be a novice on international markets, yet do you want to reach out? Are you interested in higher profit from supplies to new Russian partners?

**GOODGO Call и BG-RU Consult are here to help you!**

### **What do we offer and how?**

- Quality sales of your goods on Russian and international markets.
- 24-hour call center with a staff of professional operators and sales managers.
- Maintenance of your company in all stages of making inroads into international markets (24 kinds of services are available).
- Availability of 43 languages for operations.
- An individual approach to meet any demand you may have.

### **What do you stand to gain?**

#### **1. Partners who are concerned for your success.**

**WE OPERATE FOR A % OF THE SALES +  
direct production costs**

More than others we care for the success of your advertisement and/or sales campaign as we gain only when and if you make profit. Moreover, we stand ready to negotiate the percentage on a case-by-case basis and on the basis of the required volume of sales, the average profit and the expected returns.

#### **2. Fast and efficient inroads into international markets.**

GOODGO Call and BG-RU Consult possess the inventory that enables an operating modus to organize "**cold sales**" in search for potential customers for your company, "**a hot round-the-clock line**" to contact your foreign customers, **massive e-mail** to reach foreign audience, **interpretation** for negotiations in video conferences and any of the other 24 services that our call center provides.

#### **3. Rollover in Russia and abroad.**

Even if you have a long record of deals on the Russian markets or a liaison office abroad, this is not to be seen as the limit to stop at. The expansion of the presence of your

---

company will result in higher profit and an improved image for your company. Therefore with our assistance you may discover new markets where you would have never thought about.

#### 4. Transparent reductions scheme.

The more resources you need for your project, the cheaper they are: it is as simple as that.

#### 5. Personal manager.

We wish for your contacts with our companies to be utmost fair, profit-making and positive. Therefore all the information about your project will be held by your personal manager whom you may approach with any questions as they arise and who will see that the project implementation, document flow, accountability and other operations are properly handled.

#### Our offer to you:

- **A presentation** to tell you who we are and what we do,
- **A form (terms of reference)** to be filled in by you to tell us about your goods and their specifics and to inform us about how you would wish to sell them and to enable us to estimate the amount of work to be done and the pilot project related costs.

**E-mail information about your company or call us on the phones as given below. We will answer all your questions.**

Respectfully,

**Kristina Navrotskaya**
